I Don't Know What to Say to You

Tom Petty

I got a bottle in a paper bag
I can hear a little country rag
Dollar down, dollar a day
Yeah, I got a little one-eyed play

I opened up the windows Yeah, I've been caught cold Here, have a little no doze Can you hear me in the headphones?

Road turkeys in the lobby Baby, this is just a hobby Just a little thin report Yeah, I've been caught short

But I can't get past 'How do you do?'
I don't know what to say to you

Dancin' in the L.A. rain
Midnight blue and tangerine
Here, let me hold a cigarette
Baby, I just got time to bet now

I know it's just casino talk
But I hear you got a three foot walk
Flowin' cold and hot, bankin' on a long shot
At a transcendental continental, the initials on the door
Baby, are you keepin' score?

I don't know what to say to you

Phoenix stars in the saddle Tryin' to deal with [unverified] cattle Told proud George to call the gunner Scooter Ruby'll put him under

Solo Jack and gypsy Jade Runnin' through the everglades Tryin' to catch that high plain Get 'em touch of fair exchange

Chinese kite, folding chairs Lift on where you take the stairs Royal crown is on my head You know I don't really care

I cant get past 'How do you do?'
I don't know what to say to you
