

Busy and Important

Tom Rosenthal

Don't you know how busy and important I am?
I've got so much to do
Ask me out to dinner on a Friday night
I can't go, I've got too much to do

Maybe I'm just trying to distract myself from my mortality
Maybe I'm just trying to distract myself from my mortality

Oh I'm too busy to finish thing song
I'm too busy to dance
Too busy to cry
Too busy to die
Too busy to see my chance

Don't you know how busy and important I am?
I've got so much to do
Ask me to the disco on a Friday night
I can't go, I've got too much to do

Maybe I'm just trying to distract myself from my mortality
Maybe I'm just trying to distract myself from my mortality

Oh I'm too busy to see the sky
I'm too busy to know
Too busy to fly
Too busy to die
Too busy to rest my soul

Don't you know how busy and important I am?
I got so much to do
Don't you know how busy and important I am?
I got so much to do

I'm too busy to finish this song
I'm too busy to finish this song
I'm too busy to finish this song
I'm too busy to finish
