Tom Rosenthal

P.A.S.T.A save my day  
I've been so lowly  
I've been so lowly

Give me all the shapes that you make  
I've been so worried  
I have been so worried

Feed me carbs, baby  
Ravioli daily  
Al dente in the soul

Beauty in the blandness  
Cheese for the sadness  
Pesto for the hole

P.A.S.T.A save my day  
I've been so lowly  
I've been so lowly

Oh words, cannot quite explain how I've loved you my entire life  
Oh words, cannot quite explain how I've loved you my entire life

Carbonara told me there was something holy  
Love one day will come

Eggs and the flour, no higher power  
Simple as the sun

Oh words, cannot quite explain how I've loved you my entire life  
Oh words, cannot quite explain how I've loved you my entire life

P.A.S.T.A save my day  
I've been so lowly  
I've been so lowly
