There Is A Dark Place

Tom Rosenthal

There is a dark place but I'm not☐ going there

No, no, not on my way

There is a dark place but I'm not☐ going there

No, no, not on my way

There is a dark place but I'm not☐ going there

No, no, not on my way

There is a dark place but I'm not☐ going there

No, no, not on my way

There is a dark place but I'm not☐ going there

No, no, not on my way

There is a dark place but I'm not☐ going there

No, no, not on my way

There is a dark place but I'm not☐ going there

No, no, not on my way

There is a dark place but I'm not☐ going there

No, no, not on my way

There is a dark place but I'm not☐ going there

No, no, not on my way

There is a dark place but I'm not☐ going there

No, no, not on my way

There is a dark place but I'm not☐ going there
