

We're All a Bit Scared

Tom Rosenthal

We're all a bit scared, we're all a bit scared
but don't be wet, don't be wet, don't be wet.

I've been running, mostly nowhere, but don't be wet

We're all a bit scared, we're all a bit scared
but don't be wet, don't be wet, don't be wet like a flannel

I've been chasing mostly nothing, but don't be wet
I've been running mostly nowhere but don't be wet

We're all a bit scared, we're all a bit scared
but don't be wet, don't be wet, don't be wet like a flannel
