

Wigan Pier

Tom Rosenthal

Oh, I went down to Wigan Pier
Can you tell from my face that I'm lying?
I saw a man dressed as the sea
Can you tell from my face that I'm flying?

Yeah, I saw a girl in the distance
Can you tell from my face that I'm crying?
Oh, it rained
Oh, it rained
Can you tell from my face that I'm sighing?

Oh, I dried
Oh, I dried
Can you tell from my face I am leaving?
