I don't know what I'm doing here, I could be someplace else Like in Atlanta drinkin' wine, wine, wine I don't know what I'm doing here, I should be someplace else Like in Kentucky drinkin' 'shine, 'shine, 'shine

The dogs are running down in Memphis And them nags are running in la I'm stuck in spokane in a motel room And there ain't no way to get away

Willie nelson's picking out in Austin And Waylon's hanging out in Mexico I'm stuck in spokane in a motel room And kris is making movin' picture shows

Hey, I don't know what I'm doing here, I could be someplace els e

Like in Atlanta drinkin' wine, wine, wine
I don't know what I'm doing here, I should be someplace else
Like in Kentucky drinkin' 'shine, 'shine, 'shine

Well I know they're dancing in New Orleans And old Chicago's bright as day I'm stuck in spokane in a motel room Lord, I wish I had a dolly parton tape

Well hill and bare and billy Joe they're gambling And ol' tp's frying croppie all night long They're down at tootsie's eating chili
I'm stuck in spokane a-writing songs

Hey, I don't know what I'm doing here, I could be someplace els e

Like in Atlanta drinkin' wine, wine, wine
I don't know what I'm doing here, I should be someplace else
Like in Kentucky drinkin' clear moonshine
