Tomahawk

Baby, let's play dead  
I got a hole in my head  
Yeah, baby, let's play dumb  
Straight to kingdom come

Bone dry...  
You know why  
Baby, let's play ball  
Let the power fall  
Yeah, baby, play it again  
Ad nauseum  
Let it all fall down  
Fall down on me tonight  
Bone dry...  
Bone dry...  
Bone dry...  
You know why
