

Dog Eat Dog

Tomahawk

Bark bark bark bark barking at you
Eat doggie, eat doggie
Eat doggie, eat doggie
Eat doggie, eat doggie
Bark bark bark bark bark at your dog

I speak to you in a cutie doggie voice
Newly wet puppy talk they're the cat walk
(Hey)

Eat doggie, eat doggie
Eat doggie, eat doggie
Eat doggie, eat doggie
Bark bark bark bark barking at you
Eat doggie, eat doggie
Eat doggie, eat doggie
Eat doggie, eat doggie
Bark bark bark bark bark at your dog
Bastard torture hips are for God
Bark bark bark bark barking at you

Eat doggie, eat doggie, eat it
Eat doggie, eat doggie, eat it
Eat doggie, eat doggie, eat it

Canine honey, you're off the wet rain
My last breath is whispering your name

Eat doggie, eat doggie
Eat doggie, eat doggie
Eat doggie, eat doggie
Bastard torture hips are for God
Eat doggie, eat doggie
Eat doggie, eat doggie
Eat doggie, eat doggie
