

SHHH!

Tomahawk

I know a story too
I know but I won't tell you (deep breaths)
(Deep breaths) 'til I'm free
I know the place it was born
A village close to home (deep breaths)
(Deep breaths) it's near but I can't take you

Da-da-da!
Whattup, whattup, whattup
Woo, whattup
Spill me, woo-hoo
Spill me, whattup
Spill me, wait
Woah

Well, I know how mad we can go
For another secret yet untold
I know
Spill your secrets
But I won't tell you
Spill your secrets
Maybe you'll tell phantom curb

Go straight into your spirit world (spill your secrets)
No matter the cost of the bitches' sign
Spill right out of your own kind (spill your secrets)
I swear I won't tell no one
I would've find the laws of human race
With open arms
And a smiling face

Heard those whistling teeth
The sounds send me to sleep
I heard
But I can't hear you

Spill your secrets
Spill your secrets
Spill your secrets
Spill your secrets
All of your jaws are jammed
All of your jaws are jammed
Spill your secrets
Spill your secrets

Spill your secrets
Spill your secrets
Spill your secrets
Spill your secrets
All of your jaws are jammed
All of your jaws are jammed
Spill your secrets
Spill your secrets...
