

Song of Victory

Tomahawk

Who are these who stand and gage at us?
Who are these with red paint thick up on them by day
In the sight of all men
Went we forth to war!

Hai a he - hai a he - hai a he - hai
Hai a he - hai a he - hai a he - hai

Hai...

Ya he ya ye he... hai ya
A he hai ya
A he yo ha e ye
Ai ya a
Ha he ya he ya a
I ye ya he yo!

Who are these who stand and gage at us?
Who are these with red paint thick up on them by day
In the sight of all men
Went we forth to war!
