

## Typhoon

## Tomahawk

And they dipped my head in  
The water blue  
Rat's got a deep scar  
Line's owned to you

On top of her  
Once a lame  
Rare as stone  
Can't feel my leg

Remember that big fluke  
When you said, Yes I do  
Back by the creek

On top of her  
Once a lame  
Flood's will come  
Can't feel my leg

Remember!
