

## stay away from me

Tommy heavenly6

So many clouds coming in my mind  
naze wakatte kurenai no?  
nemurenai yoru wo oshiete  
yatto aeta hazu na noni

onaji kimochi da to omotteta noni  
nanka chigau nakisou ni naru  
nanigenai kao de  
futtobashita KAPUCHI-NO  
sameteta kara ii desho!  
I hate you!

So many clouds coming in my mind  
naze kamatte kurenai no?  
nan no you da ka shiranai kedo  
watashi dake mite hoshii noni

I want you to know

So...

many clouds coming in my mind  
you know Before the storm comes  
Stay away from me!  
"Look at me!"

many clouds coming in my mind  
you know Before the storm comes  
Stay away from me!  
"Look at me!"

many clouds coming in my mind  
watashi dake mite hoshii noni
