

# Boogie Woogie Woman

Tommy McClennan

'Well, alright'

She's a boogie woogie'n gal  
I sho' likes her rule  
Look here, gal  
Just from my school

She's a boogie woogie'n fool  
(Say what?)  
She's just from my school  
(Yeah!)  
She's a boogie woogie'n gal  
She just ain't never learned my rule

Look-a-here, now little woman  
(Yeah!)  
Where you been so long?  
Had no boogie woogie, now  
Pointers since you been goin'

She's a boogie woogie'n girl  
(Say, she's a what?)  
She's a boogie woogie'n girl  
(Oh, she's a boogie woogie'n fool)  
She's a boogie woogie'n fool  
Well, she ain't never learned my rule

Look at that gal over yonder  
Sittin' in the corner  
She do the boogie woogie  
Mama, yo' scene sho' is funny

Want you to boogie woogie, girl  
(Yeah-hey-yeah-yeah)  
Oh, she boogie woogie'n fool  
(Uh-huh)  
She's a boogie woogie'n gal  
She just ain't learned my rule  
Do the boogie woogie

(Now, look-a-here, babe)

Do the boogie woogie  
You wan' do it right  
(Yeah)  
Do it both day  
Then come night

Gonna do the boogie woogie  
Yeah, the boogie woogie  
Gonna do the boogie woogie  
Both night an day

'Oh, beat at me'

(guitar & bass))

'Yeah'

'I wanna talk about'

'You've no boogie woogie on bass  
In, that time'

'Boogie woogie on bass'

'Now you gettin' in there'

'Oooh, juke chillen'

'Aw, boogie some'

'Yeah'

'Cut-up sideways, now'

Look-a-here gal  
Where you been so long?  
You boogie woogie, gal  
Since I been gone

She's a boogie woogie'n fool  
Well, she ain't learned my rule  
She's a boogie woogie'n gal  
Just ain't never learned my rule

'Do the boogie 'bout her'

(guitar & bass)

'Yas, yas, yas, yas  
This house gettin' rockin'

'Pound the beat'

Out, my mam-mama, stayed at night  
None a your business  
You don't do me right

We're gonna pitch a boogie woogie  
Oh, shake a boogie woogie  
Oh, pitch a boogie woogie  
Mama, mama, that's all

'One time, beat it out'

(bass & guitar)

Yeah!

'All you busy, here'

'Out-out-out, The Boogie Woogie'

(Tommy)

'Had the boogie woogie blue.'
