

V1 - TONEDEFF

It's the marksman, armed with bars that scar from yards in/
Foul-mouth Latino, the Dark-skin Cartman/
Startling frauds, Skin 'em for probable cause,
Spit and I topple the gods, gimme applause, when my part start
s to resolve/
Hearts'll dissolve because my love's acidic/
I'm urgine a bum to mimick this surgical tongue precision I'll
burn him for fuckin with it/
Your sternum gets punched in and it's crushed to ribbons, I sn
uff these timid/
Thugs in denim with tons of gimmicks of drugs & women, I'm don
e beginning/
I hunt for limits and I snipe 'em/
Hung Mother Nature, from the family tree, now Father time thin
ks I don't like him/
Let's try some Isometric points of view/
Why do decrepit boys like you lie and profess their flow's imp
roved?
When I be rippin' it better than any of you can - regularly/
So, why don't you just give up? Cause most of y'all niggas wil
l never get better than me/
I'm indedbted to these cats like QN5 that set examples/
With original flows, over these digital lows and snare samples
/
There's ample proof, we're hard to take/
It's evident when cats tremble in our presence like epileptics
doing the harlem shake/
Your ART is fake, and it's troubling, yo/
There's kids who think the underground just started with Compa
ny Flow/
Now we're stuck with these shows, With 14-year olds and poser
herbs/
Claiming their emcees, dropping their fumbled attempts at spok
en word/
Who don't deserve the recognition, but they'll take it/
Cause when you had the chance and you didn't say shit... you emb
raced it.
It's a basic truth, The Plague's the crew
We're that anxious group of tasteless dudes that come to your
show and can't wait to boo/
Cause you overdo it, you feel me yet?/
Rocking a doorag with a headband and a cap that was fitted for
Timmy's head/
You silly bitches, it's time for the detox/
Copycat rappers act like you got stock options at Xerox/
You're shocked like you never planned to get caught?
Ignorant dick, don't know if Neptunes a planet or not/

Faggots! You're hot under the collar like catholic fathers with
their hands on their cocks/
Asking a kid if he's a fan of the rock/I demand that you watch
me
Dismantle your block. See, I can't ever stop because man never
thought/
That he would develop a gift that would give him an understand
ing as he was taught/
We've amassed the assault, leave your ashes dissolved from burn
ing/
QN5 Motherfucker, Tonedeff is the name - learn it!
