

Tell me why do we keep playin games  
When we don't know his coming is so soon?  
No one knows the day or hour  
Maybe midnight or in the afternoon  
But he's coming  
Coming  
Back again  
Again  
But he's coming  
Coming  
Back again  
Again

Get it straight, don't delay  
Don't you say we didn't warn you
