

To Know You Lord

Tonéx

[Verse 1:]

To know you LOrd in all of your glory
To know you Lord in all of your ways
To know you Lord in all of your majesty
O how I long to know you Lord
O how I long to know you Lord

[Chorus:]

[Verse 1]

[Verse 2:]

To know you Lord in the power of your righteousness
To know you Lord in the power of your mind
To know you Lord in the fellowship of your suffering
O how I long to know you Lord
O how I long to know you Lord

[Chorus]

[Hook:]

To know you
To know you
To know you Lord
Ooooooh to know you
To know to know yea heee yeeaa!
To know you
To know you Lord ooooohhh
Such a privalige to be able to go before
Your face and sacrifice my self ooooohhh
So glad I know you
And dnt know of you
Cus yous a friend of mines
I talk to you all the time
So glad I know you Lord
And dnt know of you cus yous a friend of mines I talk to you all the time..
So glad I know him for myself I went down in his name I've neva been the same
Neva been the same
To know you to know you Lord to know you oooooohh..
Gota know him in spirit and in truth can't fake the funk nono
Can't fake the funk o no no no no
I know him yea
I know him yea
I know him yea I'm so glad I know you
Lord
O how I long to know you Lord
O how I long to know you Lord
