If I never feel you in my arms again
If I never feel your tender kiss again
If I never hear "I love you" now and then
Will I never make love to you once again?

Please understand, if love ends
Then I promise you, I promise you
That, that I shall never breathe again
Breathe again, breathe again
That I shall never breathe again, breathe again

And I can't stop thinkin' about About the way things used to be And I can't stop thinkin' about About the love that you make to me

And I can't get you out of my head How in the world will I begin To let you walk right out my life And blow my heart away

And I can't stop carin' about About the apple of my eye And I can't stop doin' without Without the center of my life

And I can't get you out of my head And I know I can't pretend That I won't die if you decide You won't see me again

If I never feel you in my arms again
If I never feel your tender kiss again
If I never hear "I love you" now and then
Will I never make love to you once again?

Please understand, if love ends
Then I promise you, I promise you
That, that I shall never breathe again
Breathe again, breathe again
That I shall never breathe again, breathe again

And I can't stop thinkin' about About the way my life would be No, I can't stop thinkin' about How could your love be leavin' me

And I can't get you out of my mind God knows how hard I tried And if you walk right out my life God knows I'd surely die

And I can't stop doin' without Without the rythm of my heart No, I can't stop doin' without For I would surely fall apart

And I can't get you out of my mind 'Cause I know I can't deny And I would die if you decide You won't see me again

If I never feel you in my arms again
If I never feel your tender kiss again
If I never hear "I love you" now and then
Will I never make love to you once again?

Please understand if love ends
Then I promise you, I promise you
That, that I shall never breathe again
Breathe again, breathe again
That I shall never breathe again, breathe again
That I shall never breathe again
Breathe again, breathe again
That I shall never breathe again, breathe again
