

Do It

Toni Braxton

No more wondering why
He ain't calling you back (New Toni Braxton shit, baby)
Lately, you don't get along
You're sick and tired of it all
You can't take it no more (Let's go)

No need to say you feel some kind of way
Just do what you need to do, do what you need to do
He ain't gonna change
If you take him back, it's gonna be the same
Just do what you need to do, do what you need to do
(Come on)

Just do it, do it, do it
Do it, yeah, yeah
Do what you need to do, do what you need to do
Just do it, do it, do it
Do it, yeah, yeah
Do what you need to do, do what you need to do
(Here we go)

And even God don't understand why
You forgave him so many times
He got you back and forth
And 'round and 'round and up and down again
Know you'll never win
You gotta stop pretending

No need to say you feel some kind of way
Just do what you need to do, do what you need to do
He ain't gonna change
If you take him back, it's gonna be the same
Just do what you need to do, do what you need to do
(Let's go)

Let him go I gotta do it 'cause he already dun blew it
I just tell him screw it, so much shit, he put me through it
Yeah I thought I knew it how I got myself into it
Must've been that good sex
How he had me 'bout to lose it (lose it)
It's gonna take more than a couple movies
Look at all this pain and I can't cover all these bruises
Playa, yo you need to cool it
Then you say you love me then you gon' have to prove it
I'm the best you ever had like I told ya
Don't you run and hide when I roll up (yup)
You cheat on me you get no love
You gon' be sad when you see I had enough (come on)
You gon', you gon' be sad when you see I had enough
You gon' be mad when you see I had enough, huh?
Ayo, Toni, I don't think they gonna change, for real, though
Hey, here we go!

There's no need to say you feel some kind of way
Just do what you need to do, do what you need to do
Do what you need to do
He ain't gonna change

If you take him back, it's gonna be the same
Just do what you need to do, do what you need to do
(Oh, let's go)

Just do it, do it, do it
Do it, yeah, yeah
Do what you need to do, do what you need to do
Just do it, do it, do it
Do it, hey yeah, yeah
Do what you need to do, do what you need to do

This shit is crazy
