It is an age-old story
Goes back to Adam and to Eve
I know you know
What I want for
And if it ain't clear to ya baby
Don't stop, Let's Rock
Give it to me baby

Gimme gimme
Gimme some Gomme some
Ain't like you don't want none
Yeah yeah yeah yeah
What you gonna do
Gimme gimme
Gimme some gimme some
Don't fight what you can't son
Yeah yeah yeah yeah
What you gonna do

You know you can't ignore it
I'm always there in your dreams
You know and I know what you want for
If it ain't clear to ya baby
Don't stop, let's rock

Gimme gimme
Gimme some Gomme some
Ain't like you don't want none
Yeah yeah yeah yeah yeah
What you gonna do
Gimme gimme
Gimme some gimme some
Don't fight what you can't son
Yeah yeah yeah yeah
What you gonna do

4 letter words and 3 wishes Is what I came or Love birds blowin' kisses in picture frame form With just a faction of this major attraction, comming soon I bust and implode, gimme gimme room I keep blazin', it's so amazin' The occasion that I am raisin', massive body invasion So what you savin' all that love for open up your mind, explore, and make it hard core I'll be your candy store Give you just a little more than what you bargained for And if you ask me for some guidance, it's not a minus I'll break it down to a science, kitchen appliance 69 gimme mine, I'll be your valentine 365 days I want my sun to shine See, I've been waiting for the planets to realign Total eclipse on my lips until the end of time
