

# Love Shoulda Brought You Home

Toni Braxton

Should I even listen  
Should I even try  
Will I just be hearing the same old lines  
Baby  
See it doesn't matter  
What you say this time  
Cause our whole relationship  
Is built on one lie  
You say things aren't the way they seem  
But still you can't come straight with me

How can you think that you're in love  
When you don't know the meaning of

Love Shoulda brought you,  
Brought you,  
Home last night  
You shoulda been with me  
Shoulda been right by my side  
Baby  
If you cared anything for me  
Then love woulda brought you  
To me last night

Gotta hand it to ya  
Ya had me there for a while  
I was so in love with you  
I couldn't see past your smile  
Now I smell the coffee  
Boy, I got a wake up call  
And it left the message  
That you just don't care at all  
You can't expect me to  
Believe that she doesn't mean anything  
You say that you love only me  
Your kinda lovin' my darling  
I just don't need

Love Shoulda brought you,  
Brought you,  
Home last night  
You shoulda been with me  
Shoulda been right by my side  
Baby  
If you cared anything for me  
Then love woulda brought you  
To me last night

Then you woulda been sincere  
And I wouldn't be in tears  
And love woulda brought you  
To me last night  
Oh baby why  
Why do men think that love's just for the moment  
Not over time  
Please tell me why  
Why should I think that

You're gonna be sincere  
Are you deservin'  
Don't blame me if  
I just don't believe,  
I just don't believe  
That you'll allways be here

Love Shoulda brought you,  
Brought you,  
Home last night  
You shoulda been with me  
Shoulda been right by my side  
Baby  
If you cared anything for me  
Then love woulda brought you  
To me last night
