

# Spending My Time with You

Toni Braxton

I used to date and never fall in love  
Just lookin' for an experience  
Spending my time wasting it foolishly  
Exploring my possibilities

But then one day I ran into you, oh boy  
You gave me feelings I never knew  
I'd like to spend my weekends with you  
Oh and weekdays too, wouldn't that be cool?  
I think I'm fallin' in love with you

So I'll be spendin' my time with you  
There's nothin' I'd rather do  
I never had a lover like you  
That makes me feel the way that you do, oh yeah, baby

You said you wanted to get serious  
So speak to me 'cause I'm curious  
To know exactly how you feel inside  
And feel your sweet body touchin' mine

'Cause there's so many things we can do  
You've given me feelings I never knew  
I'd like to spend my weekends with you, baby  
Oh and weekdays too, wouldn't that be cool?  
I'm fallin', fallin', falling in love with you

So I'll be spendin' my time with you  
There's nothin' I'd rather do  
I never had a lover like you  
That makes me feel the way that you do  
Feel the way you do baby

You gave me love  
And baby, there's nothing better  
Than the love you've given to me  
Oh yeah, baby

Let me show you how much  
I really care for you  
Day and night, I'll treat you right  
That's all I want to do

So I'll be spendin' my time with you  
There's nothin' I'd rather do  
I never had a lover like you  
That makes me feel the way that you do  
Feel the way you do

So I'll be spendin' all of my time with you  
I'm gonna be and I wanna be  
I'm gonna and wanna and wanna be yeah  
Each and every day, each and every way  
All my time with you I wanna be and I wanna, I wanna  
Every day with you and so much too  
You're so fun, you will always ...

Yeah, yeah  
I wanna be spending  
I wanna be spending  
My time, my time baby oh my time
