The D Word

Toni Braxton

I put the papers on your doorstep The keys under the mat Although the lawyer said to mail you I'm still not over it There's so much I wanna tell you But I really need to forget Even though we're not to¬gether

Girl I will miss you (oh boy I will miss you) Even though it breaks my heart I will miss you (I'm gonna miss you) Cause I'll always love you, love you (always love you) Forev¬er think of you, of you (of you) And I'll al¬ways want you, want you (always want you) Forever think of you, of you (of you)

Although we're apart You still own my heart Forever, and ever And ever

I never liked the sound of sin¬gle It don't sound good to me Tell me how I'm s'pose to mingle When you're all I wanna see

There's so much I wanna to tell you But I really need to forget Even though were not together

Girl I will miss you (oh boy I will miss you) Even though it breaks my heart I will miss you (I'm gonna miss you) Cause I'll always love you, love you (always love you) Forev¬er think of you, of you (of you) And I'll al¬ways want you, want you (always want you) Forever think of you, of you (of you)

Although we're apart You still own my heart Forever, and ever And ever

Cause I'll always love you, love you (always love you) Forever think of you, of you (of you) And I'll al¬ways want you, want you (always want you) Forever think of you, of you (of you)

Although we're apart You still own my heart Forever, and ever And ever
