

I Just Want Affection

Toni Childs

I just want affection
I wanna feel you near
I wanna know that you're real
That you are for real

They say I have a problem
They say there's something wrong
So wrong with wanting and desire
This desire is strong

I just want affection
I just wanna sweat
I'm wanting to feel
That life is real

Is there something wrong with that?
(No, no, no)
Is there something wrong with that?
(No, no, no)
Is there something wrong with that?
(No, no, no)
Is there something wrong with that?
(No, no, no)

I just want affection
I wanna feel you here
I wanna know that you're real
And that I really do feel

That you can love me
And I can love you
And you can love me
And I can love you

I just want affection
Can you help me please now?
I need a desperate need of attention
Am I wrong for that, am I?

Is there something wrong with that?
(No, no, no)
Is there something wrong with that?
(No, no, no)
Is there something wrong with that?
(No, no, no)
Is there something wrong with that?
(No, no, no)

I just want affection
I need to sweat
I need to know
That this world is this world
And I'm not alone

Is there something wrong with that?
(No, no, no)
Is there something wrong with that?

(No, no, no)
Is there something wrong with that?
(No, no, no)
Is there something wrong with that?
