

# Can't Help Myself

Toni Gonzaga

Can't sleep tonight,  
'Cause you're on my mind.  
I guess I'm in love once again.  
Gaze a star,  
'Cause that's what you are.  
You light up my life once again.

I'll take this chance for another romance in my life

'Cause you're all that I need.

I can't help myself,  
From falling in love,  
With somebody like you,  
'Cause your feelings are true.  
Can't help myself,  
From falling in love.  
For I can't help myself...  
From falling for you.

All day I pray,  
That forever you'll stay,  
And won't let our love fade away.  
Hear what I say,  
Whatever comes away  
We'll be together come what may.

I'll take this chance for another romance in my life

'Cause you're all that I need.

I can't help myself,  
From falling in love,  
With somebody like you,  
'Cause your feelings are true.  
Can't help myself,  
From falling in love.  
For I can't help myself...  
From falling for you.

I've never felt this love,  
Until you came,  
In my mind.

And I can't help myself,  
From falling in love,  
With somebody like you,  
'Cause your feelings are true.  
Can't help myself,  
From falling in love.  
For I can't help myself...  
From falling for you.
