

I Won't Give Up

Toni Gonzaga

When I look into your eyes
It's like watching the night sky
or a beautiful sunrise
There's so much they hold
Just like them old stars
I see that you've come so far
To be right where you are
How old is your soul
I won't give up on us
Even if the skies get rough
I'm givin' you all my love
I'm still looking up
And when you needed your space
To do some navigating
I'll be here patiently waiting
To see what you find
'Cause even the stars they burn
Some even call to the earth
and we've got a lot to learn
God knows we're worth it.
No I won't give up.
No more
Don't wanna be someone who walks away so easily
I'm here to stay and make the difference that I can make
Our differences they do a lot to teach us how to use the tools
and gifts we got yeah
We got a lot at stake
And in the end you're still my friend at least we did intend fo
r us to work we didn't break we didn't burn
I had to learn how to bend without the world caving in
I had to learn what I've got and what I'm not and who I am
I won't give up on us
Even if the sky get rough
I'm givin' you all my love
I'm still looking up
No I won't give up on us
God knows I'm tough enough
And we've got a lot to learn
God knows we're worth it
