

This Love Is Like

Toni Gonzaga

This love is like
This love is like
This love is like
This love is like

I'm mortal, You're eternal.
I am bound to limitations.

But there's something in between us.
That is giving me the freedom.

I feel your supernatural..
This love it feels ethereal..

I'm walking on air...
Walking on e-e-air e-e-air.
This love affair...
Is like walking on e-e-air e-e-air...
This love is like...

Walkin'
Walkin'
Walkin'
Walkin'

I'm walking on
Walkin'
Walkin'
Walkin'
Walkin'

I'm walking on
Walkin'
Walkin'
Walkin'
Walkin'

I'm walking on air...
I'm walking on

You have loved me at my darkest
You have crowned me with your brightness
All my fears and
All my secrets
I can rest them
No pretenses.

I feel your supernatural..
This love it feels ethereal..

I'm walking on air...
Walking on e-e-air e-e-air.
This love affair...
Is like walking on e-e-air e-e-air...
Our love is like...

High up in the heavens take me

Higher where you love completes me
Take me to a place where I'm free
Hold me close where you can keep me
Far from all the hurt you saved me
Take me to a place where I'm free

Walking on air
This love it feels like

Walking on air
This love it feels like

Walking on air
This love it feels like

Walking on air
This love it feels like

Walking on air
This love it feels like

Walking on air
This love it feels like

Walking on air
This love it feels like

I'm walking on air...
Walking on e-e-air e-e-air.

This love affair...
Is like walking on e-e-air e-e-air...

I'm walking on air...
Walking in e-e-air e-e-air.

This love affair...
Is like walking on e-e-air e-e-air...

I'm mortal, You're eternal.
I am bound to your kingdom.

This love is like...
This love affair...
