## Tonight Alive

Are you embarrassed of me?  
You say that you're proud, but only when I ask ya  
Are you embarrassed of me?  
Go on and say it out loud, you know I see right past ya  
Oh, you always seem to let me down.

Why can't you be more like me?  
You know I'd do anything to see you smile  
Why can't you be more like me?  
I know that I'm gone, but only for a while  
Oh, is it something different to what I thought it was?  
Oh, are you someone different to the one I thought I loved?  
Oh, you always seem to let me down.

Now, you're saying you're doing everything you can  
Guess it wasn't enough, it never made you a man  
Now, you say you're leaving everything in my hands  
Give it a chance, we'll never know if you can  
Turn around, tell me what you see  
Do you remember me? And what we used to be?  
It turns out your word is broken now  
Cause you always seem to let me down.

Are you embarrassed of me?  
They're laughing out loud, but you don't try to stop them  
Are you embarrassed of me?  
You're shrugging me off, and you act like it's nothin'  
Oh, all I needed was for you to feel the same  
Oh, it was always easy for me to be the blame  
Oh, you always seem to let me down.

Now, you're saying you're doing everything you can  
Guess it wasn't enough, it never made you a man  
Now, you say you're leaving everything in my hands  
Give it a chance, we'll never know if you can  
Turn around, tell me what you see  
Do you remember me? And what we used to be?  
It turns out your word is broken now  
Cause you always seem to let me down.

Down, down, down  
Down  
Down

I wasn't strong enough  
And you didn't give enough  
Well, I needed you  
I needed you

No, I wasn't strong enough  
And you didn't give enough  
Well, I needed you  
I needed you, you, you

Cause I wasn't strong enough  
And you didn't give enough  
Well, I needed you

I needed you  
(2x)

Now, you're saying you're doing everything you can  
Guess it wasn't enough, it never made you a man  
Now, you say you're leaving everything in my hands  
Give it a chance, we'll never know if you can  
Turn around, tell me what you see  
Do you remember me? And what we used to be?  
It turns out your word is broken now  
Cause you always seem to let me down.
