

## After You've Gone

Tony Bennett

Don't you remember how you used to say  
You always loved me in the same old way  
And now it's very strange  
That you should ever change

Sometimes I think someone has won your heart  
Tempted you away  
But let me warn you though that we're miles apart  
You'll regret some day

After you've gone and left me crying  
After you've gone, there's no denying  
You'll feel blue, you'll feel sad  
You'll miss the dearest pal you've ever had

There'll come a time, now don't forget it  
There'll come a time, when you'll regret it  
Some day when you'll grow lonely  
Your heart will break like mine and you'll want me only  
After you've gone, after you've gone away

After I'm gone and after we break up  
After I'm gone, you're gonna wake up  
You will find you were blind  
To let somebody come and change your mind

After the years we've been together  
Thought joy and tears, all kinds of weather  
Someday blue and downhearted  
You'll long to be with me right back where you started  
After I'm gone, after I'm gone away
