

Baby, Talk to Me

Tony Bennett

Talk to me
Baby, won't you talk to me
I don't care what you say,
Baby, talk to me

Must you be all so far away from me
It seems all wrong this way
Talk to me
(Talk to me
Talk to me)

And if you miss me, tell me so
Are you lonely, tell me so
Say you love me, tell me so
Honey, let me know

Talk to me till I press you close me
Then you'll see
We won't have to talk at all

And if you miss me, tell me so
Are you lonely, tell me so
Say you love me, tell me so
Honey, let me know

Talk to me till I press you close me
Then you'll see
We won't have to talk at all
(Talk to me
Talk to me
Talk to me)
