

It Could Happen to You

Tony Bennett

Hide your heart from sight, lock your dreams at night
It could happen to you
Don't count stars or you might stumble
Someone drops a sigh and down you tumble

Keep an eye on spring, run when church bells ring
It could happen to you
All I did was wonder how your arms would be
And it happened to me

You better keep an eye on spring,
and grab your hat when church bells ring
It could happen to you
All I did was wonder how your arms would be

And it happened to me
