

# It's So Peaceful In The Country

Tony Bennett

It's so peaceful in the country  
It's so simple and quiet  
You really ought to try it  
You walk about and talk about  
The pleasant things in life

It's so restful in the country  
It's the right kind of diet  
You really ought to try it  
You lie and dream  
Beside a stream  
While daisies nod hello

City living is a pretty living  
It's so full of unexpected thrills  
But there's too much stone  
Too much telephone  
There's too much of everything  
but trees and hills

It's so peaceful in the country  
It's so simple and quite  
Someday you're bound to try it  
The only place to be  
A place for you and me  
Where it's peaceful... in the country
