

# It Was Written in the Stars

Tony Bennett

It was written in the stars  
What was written in the stars shall be  
It was written in the skies  
That the heart and not the eyes shall see

And so whether it bring joy  
Whether it bring woe  
It shall be done  
Now suddenly I know  
You are the one

Here as in a daydream  
By my side you stand  
Here with my tomorrows  
In your hands

It was written high above  
That I have to have your love  
Or I'll never be free  
And cloudy though the day be  
Crazy though I may be  
What the stars foretold shall be

Here as in a daydream  
By my side you stand  
Here with my tomorrows  
In your hands

It was written high above  
That I have to have your love  
Or I'll never be free  
And cloudy though the day be  
Crazy though I may be  
What the stars foretold shall be

And so shall it be
