Love Walked In

Tony Bennett

Love walked right in and drove the shadows away

Love walked right in and brought my sunniest day

One magic moment and my heart seemed to know that love said hel

lo

Though not a word was spoken

One look, and I forgot the gloom of the past One look and I had found my future at last One look and I had found a world completely new When love walked in with you

One magic moment and my heart seemed to know that love said hel \log

Though not a word was spoken

One look and I had found a world completely new When love walked in with you
