

Now it Can Be Told

Tony Bennett

Now it can be told
Told in all its glory
Now that we have met
The world may know the sentimental story
The greatest romance they ever knew
Is waiting to unfold

Now it can be told
As an inspiration
Every other tale of boy meets girl
Is just an imitation
The great love story has never been told before
But now, now it can be told

Now it can be told
As an inspiration

The great love story has never been told before
But now, now it can be told
Now it can be told
Now it can be told, now
