

# Since My Love Has Gone

Tony Bennett

I'm lonely  
Left with tears and sorrow  
I can't face tomorrow  
Since my love has gone

She's left me, left me for another  
And my heart's gone with her  
How can I go on

Was our love a game  
Played for a day  
Were you pretending  
Two heart's gone astray

Am I to blame  
For this unhappy ending  
Nothing else is left me  
But a memory

Beloved, how I long to hold you  
In my arms enfold you  
Live again our happiness

But now, I must face tomorrow, alone  
Since my love has gone

But now, I must face tomorrow, alone  
Since my love has gone
