

# There'll Be Some Changes Made

Tony Bennett

For there's a change in the weather, there's a change in the sea,  
So from now on there'll be a change in me.  
My walk will be different, my talk and my name,  
Nothing about me is going to be the same.  
I'm going to change my way of living if that ain't enough,  
Then I'll change the way I strut my stuff  
Cause nobody wants you when you're old and gray.  
There'll be some changes made today, there'll be some changes made.  
For there's a change in the fashions, ask the feminine folks,  
Even Jack Benny has been changing jokes,  
I must make some changes from old to the new,  
I must do things just the same as others do.  
I'm going to change my long tall Mama for a little short fat,  
Going to change the number where I live at.  
I must have some loving or I'll fade away.  
There'll be some changes made today, there'll be some changes made
