

# She's So Fast

Tony Carey

Down on the ponchartrain  
Life was like a daisy chain and  
She knew what bells to ring  
She knew what strings to pull  
She loved me like a whistle-stop  
Boy crazy, down at the hop now  
I was half empty  
She was half full

She drives me crazy in those twenty-dollar shoes  
She tells me "Take it or leave it -  
I win, you lose"

She's so, she's so, she's so fast  
She's so, she's so, she's so fast  
She walks and she talks and  
She's so fast  
She walks and she talks and  
She's so fast  
She gets around now

Down on the river street  
She made it short and sweet now  
She made me think of things  
I never say out loud  
She's giving me the runaround  
She runs for the high ground now  
I'd like to follow  
But you know I'm much too proud

She drives me crazy in those twenty-dollar shoes  
She tells me "Take it or leave it -  
I win, you lose"

She's so, she's so, she's so fast  
She's so, she's so, she's so fast  
She walks and she talks and  
She's so fast  
She walks and she talks and  
She's so fast  
She gets around now

She drives me crazy in those twenty-dollar shoes  
She tells me "Take it or leave it -  
I win, you lose"

She's so, she's so, she's so fast  
She's so, she's so, she's so fast  
She walks and she talks and  
She's too fast for me
