

Tear Down the Walls

Tony Carey

Well, is she waiting for Mr. Right
What's going on with her tonight
And where are all her friends
She's standing all alone
And what's so bad about company
Take anybody baby, even take me
I wonder where you'll be
When your lovers all go home

You've got walls around you
I want you, yes I want you, I wan't you
You've got walls around you, let me through
Yeah this is all we've gotta do babe

Tear down the walls
Tear down the walls
Open up your heart
Open up your heart
Tear down the walls
Tear down the walls
Blow your walls apart

Well is this gonna be one of those days
When everything fouls up every which way
And why am I alone
Am I waiting here in line
And when are you gonna give me a while
No hair to wash, no nails to file
And when will I go home
If I am only wastin' time

You've got walls around you
I want you, yes I want you, I wan't you
You've got walls around you, let me through
But this is all we've gotta do babe

Tear down the walls
Tear down the walls
Open up your heart
Open up your heart
Tear down the walls
Tear down the walls
Blow your walls apart

Your walls, your walls
Yeah, your walls
Tear down the walls
Babe, I want you, I want you babe, I want you babe
I want you, I want you, I want you babe
I wanna get close to you
And baby this is all we gotta do, hey

Tear down the walls
Tear down the walls
Open up your heart
Open up your heart
Tear down the walls

Tear down the walls
Blow your walls apart

Your walls
Your walls
Yeah, your walls
