

Do You Have A Garter Belt

Tony Joe White

Love the way you wear you hair down long
Like the way your voice sounds on the telephone
You know you're looking sexy in tight blue jeans
But there's one thing I got to ask you please

Do you have a garter belt
Would you wear stockings
Do you have a garter belt
Would you wear stockings

I don't mean to put no heat on you
But I wonder if you feel the way I do
You don't have to worry 'cause it's alright
I ain't kinky baby, I know what I like

Do you have a garter belt
Would you wear stockings
If I call out for help
Just keep on rocking
