

They Hate

Tony Yayo

They hate, they hate, they hate, they constantly hate me
They hate, they hate, they hate, they constantly hate on me
Hate don't kill it make me stronger
Hate don't kill it make me stronger
They hate, they hate, they hate, they constantly hate me
Hate don't kill it make me stronger
Hate don't kill it make me stronger
They hate, they hate, they hate, they constantly hate me

Interscope hated on the t.o.s project
I still got money jimmy cash ain't no object
I'm drunk homie, that's the patrone talking
In the phantom ghost riding with the doors open
My man a killer he fresh from up north
But switched his swag up to tight clothes and mohawks
You know the streets talk and how the hood do
Follow hood rules and niggaz might kill you

Blood and crips christian they kids, they blood stains
In the projects it's nuttin but blood stains
Pain, poverty, fear, hate
I use to sell crack sittin on a milk crate
Hate don't kill it make me stronger
Stay hater free roll the marijuana
They hate, they hate, they hate, they constantly hate me
Hate don't kill it make me stronger
Hate don't kill it make me stronger
They hate, they hate, they hate, they constantly hate me
Hate don't kill it make me stronger
Hate don't kill it make me stronger
They hate, they hate, they hate, they constantly hate me
