Cheating on your man but I won't tell

Why you all on my dick?

All up in the club and you're way too lit  
What you gon' do, keep swiping them cards?  
Buy me new shit, make my dick get hard?  
You know you look good from your head to your shoes  
Staring in my face like, "Player, what it do?"

It's the way you move, baby, I'm lovin' you  
The afterparty's in my suite at The W
