Ain't nothin' like pimpin' just let it roll
Mother fucking shit god damn asshole
Ain't nothin' like pimpin' just don't quit

My diamonds and the Lex say it's time to flow
Wonder how I got rich, they say I rhyme too slow, so
I'm from the "O" I for what I know
And like I told your ass before you can fuck my hoe
I ride nothin' but vogues, ain't hittin' no switches
Top down in my Caddy just me and my bitches
With a Ziplock bag full of green weed
I roll it all up cause I'm a fiend in need
Of some dank smoke all up in my chest
Dangerous Crew got the bomb, we don't smoke that stress
Cause we getting funky on album 9
I smoked a few joints bitch now I'm fine
Studio's in a cloud
Smelling kind of loud
Nothin' like pimpin'
Nigger fuck Bill Clinton
Make me the mother fucking president
I'll make the White House a hoe house and all the pimps, To just
Set up shops like they do in Vegas
Legalize pimpin' for all the playa's
Puttin' fine ass bitches in the streets and the hood
Every year a nigger trade for a new Fleetwood
You know I'm rollin', I can't be faking

You know I'm rolling, don't do no simpin'
I'm an Oaktown playa ain't nothin' like pimpin'
Ain't nothin' like the pimp game you should know
Never love a bitch or a hoe
You fell in love with her though trying to get in them pants
And the next thing ya know your baby momma's a tramp
Don't get mad now nigger want to shove the bitch
Cuz a year ago, you know, you loved the bitch
Now your stomache's upset and your feelings are hurt
She gotcha looking like an old banana peel in the dirt
Bitch, slipped up and hit your ass for a lick
Talking that mother fucking baby shit
You's a punk ass nigger can't you see
That's the difference between niggers like you and me
I got bitches, on my mind
It's been like that for a real long time
I know the way them hoes take your cash
They let you fuck and make you pay up fast
Trick nigger, why you wanna be like that
Let them try for lent bitches take your fat ass stack
Couldn't tell them hoes nothin' but the punk in you
Cause they already know what they want from you
Big bank, Ben Franklin, do the bitch just fine

Lights, camera, action, cut
Hollywood look out the bitch is coming up
She took acting classes 'bout to be on her way
On a Greyhound bus from home to L.A.
She said it wouldn't take long to make it to the top
A few auditions land a job
I was down in L.A., hit the club for a drink
I'm a player ass nigger tell me what do ya think
I walked up to the bitch in my clean ass suit
And I told her, I've been watching you
I peeped you out from the bar
You must be a model or a movie star
She said "No, but that's my dream.
To see my face on the movie screen"
I tell ya nothing but game came out my mouth
She was talking 'bout agents, I was turning her out
I said "Listen real close to what I'm saying.
All you need is me; you don't need no agent"
I'm a pimp ass nigger and the game don't stop
"All you gotta do is fuck a few big shots,
Cause if you can't do that, they're going to hold ya back"
She was sucking up the game, down to do all that
She said "Short baby, I ain't no simp"
But the nigger in the suit ain't nothin' but a pimp
And all them white guys you had sex with
They weren't big shots, they were nothing but tricks
She came to me and said it just won't last
I looked, and I laughed, and I kicked her ass
Cause all she wanted was the fame
But you can't get shit when you don't have game

Guerrilla pimpin' just let it roll
Mother fucking shit god damn asshole
Guerrilla pimps just don't quit
