

Don't Trust Her

Too \$hort

Don't trust yo' nigga
Yeah, uhh

Now do you love your bitch or do you trust your bitch?
Now do you love your nigga or do you trust your nigga? Yeah

Now do you love your bitch or do you trust your bitch?
Cause niggaz gotta tendencies to follow they dick
You down with Too \$hort girl? He a ho
Cause I'll snatch a bitch up e'ry show, and hit the mo-mo
But certain niggaz fall in love with them hookers
Nigga the pussy ain't yours cause another nigga took her
Seen a little mo' game, she took a rang and some bigger and better thangs
Starin at the chain and the karats in the rang
Now who she wanna leave with, she know we got the sticky
The niggaz wearin dickies or the niggaz givin hickies
She know what she want, she want that California funk
Them hundred spoke thangs with that juice up in the trunk
She wanna ride down the sho' with the top back
But she know I gotta hit before we start that
Man don't trust her

The peter man make the plans
It's like when I step up in the club I gotta catch my breath
9 times out of 10 I cain't help myself
I don't really mean to cheat, I ain't lyin I'm a freak
Pager goin beep and I'm steady tryin to creep
I admit, I'm a - sinner
I did what I had to do just to get in her
I simply whispered in her ear
Tell her I'm the man, tell her what she wanna hear
Now I'm knowin I can hit it
Cause the shit was soundin good cause she bought it and she bit it

Gettin took for what you got yet you treat her real dapper
She takin all yo' change and she spend it on us rappers
Fuckin all in yo' house, bustin all on yo' sheets
When I come to yo' town, I be doggin yo' freak
Then you come back home lickin all on that ho
Would have a fit ever knowin she was suckin Joe
She love money and excitement, that's why y'all always fightin
And youse a workin-haulic, she want you to be ballin
