

Got Her Like

Too \$hort

(VT on the track)

Got her like (ooh, ho)
Got her like (oo, ho)
Got her like (ooh, ho)
Got her like (oh, ho)
Got her like (ooh, ho)
Got her like (oh, ho)
Got her like hold me tight and won't give me more

What we doin'? We drinkin' and dancin'
Got more females than the Playboy Mansion
You better get you one
Chase that pussy and lick on some
Pull it out and say, "Bitch, I'm hung"
Take her somewhere and make her cum
I know it's wet, you won't regret it
You little cum freak, I know you want me
I like having sex in the city
Driving down the street while I'm kissing them titties
And no, I'm not getting married
I fucked her in my truck when I popped that cherry
She just came, now she wants me to hold her
But I ain't done yet, I put her legs on my shoulders
I'm 'bout to turn that ass over
And fuck her doggystyle in my Range Rover

Got her like (ooh, ho)
Got her like (oo, ho)
Got her like (ooh, ho)
Got her like (oh, ho)
Got her like (ooh, ho)
Got her like (oh, ho)
Got her like (hold me tight and won't give me more)

It was me, Sylvan, Mike Boogie, and Lonnie
We up at the club havin' a party
We doin' shots, fuck the toast
And all the pretty girls we wanna fuck the most
I like the ones that are extra fly
That's why I hang out with Jesse and Sy
I'm Bill Clinton, she can't get the stains out
Creeped in the room and I fucked her little brains out
'Cause I love to party
I pull her real close and I rub her body
She's got a little dress on
And the DJ's playing all the best songs
Ex-boyfriend, she don't fiend for him
'Cause I'm doing freaky things she never seen before
And she's a crazy bitch
But she fuck so good, I'm on top of it

Got her like (ooh, ho)
Got her like (oo, ho)
Got her like (ooh, ho)
Got her like (oh, ho)
Got her like (ooh, ho)

Got her like (oh, ho)
Got her like (hold me tight and won't give me more)

I ain't ever seen nothin' that sexy
I'm the one for you, you can test me
I know it's tight, I do it right
And if you like me, I'll fuck you nightly
I love you do that shit, girl
The way you make them hips swirl
You probably got a man
If you do I understand but I'm your number one fan
Let's do it right now
36 C's, booty like "pow"
And her best friend looks good, too
They fuck with us now, nigga, fuck your crew
You ain't did nothin' 'til you had the baddest
Beautiful women with the fattest asses
She just realized how good she could have it
Got hooked on my dick, now she's an addict

Got her like (ooh, ho)
Got her like (oo, ho)
Got her like (ooh, ho)
Got her like (oh, ho)
Got her like (ooh, ho)
Got her like (oh, ho)
Got her like (hold me tight and won't give me more)
