

I Got Shit to Do

Too \$hort

Yo, yo... Short, Short...

I got a bitch on my line tryna get some time
A rapper on my line tryna spit some rhymes
Promoter on my line, fans stand in line
Leave that bullshit behind, I'm at the finish line
Bitch, I got shit to do
Bitch, I got shit to do; bitch, I got shit to do
Bitch, I got shit to do
Bitch, I got shit to do; bitch, I got shit to do
Can I do shit with you?

I got shit to do
I'm rappin' and I'm pimpin' too
I'm on these hoes like pimpin' do
Still fuckin' with my nigga Dru
We 'bout to break a few
'Cause we the muthafuckin' pimps of the year, bitch
30 years spittin' game in your ear, bitch
The money's still coming in, a nigga just bought a Benz
Got me a bad ass bitch with friends
I told them bitches "Get on in"
I'm just having fun, P, I got a new bounce
I got a whole lotta money in my bank account
She's just another bitch with a stank mouth
I'ma give these hoes something they can think about

I got a bitch on my line tryna get some time
A rapper on my line tryna spit some rhymes
Promoter on my line, fans stand in line
Leave that bullshit behind, I'm at the finish line
Bitch, I got shit to do
Bitch, I got shit to do; bitch, I got shit to do
Bitch, I got shit to do
Bitch, I got shit to do; bitch, I got shit to do
Can I do shit with you?

I gotta catch a flight
I got another show tonight
More money, I know it's right
Been doing this shit my whole life, all my hoes white
'Cause I'm the muthafuckin' pimp of the century
And everything I do, I do it pimpishly
My background, you could check it
Yeah, I'm still making records
Y'all hoes still getting naked
I pull out my dick and flex it
Get on your knees, I'll have these bitches crawlin'
I'll make these bitches deep throat, now that bitch is coughin'
She can't hang but she love the way I'm ballin'
Look at my phone, these muthafuckas keep callin'

I got a bitch on my line tryna get some time
A rapper on my line tryna spit some rhymes
Promoter on my line, fans stand in line
Leave that bullshit behind, I'm at the finish line
Bitch, I got shit to do

Bitch, I got shit to do; bitch, I got shit to do
Bitch, I got shit to do
Bitch, I got shit to do; bitch, I got shit to do
Can I do shit with you?
