

# I Just Wanna

Too \$hort

Yeah, we hella disrespectful  
We do what the fuck we want, when the fuck we want  
We don't give a fuck what you say  
That's how it is in the Bay, baby  
We hella muthafuckin' disrespectful, bitch  
Ay, Mistah F.A.B., tell these muthafuckas how we do it

I just wanna ride around town getting high with a bad bitch  
I just wanna high-side, pull up on the side of my old bitch  
I just wanna ask a nigga to his face 'Why you actin' like a bitch?'  
I can't wait to tell a hater nigga 'Fuck you and that bitch'

I just want a sexy bitch from another country  
A Southern girl thick as fuck, and hella country  
I just wanna buy a Bentley, black on black  
Then buy my young bitch a fake Louis bag  
200 thou foreign parked in front the house  
If the bitch is boring, kick her ass out  
If the bitch is choosin', make her cash out  
I don't want the pussy, bitch, I want some mouth  
I want the blue strips, these bitches foolish  
These bitches choosin'; pimpin', let's do this  
Bitch, I am ruthless; I used to be toothless  
I was still stuntin' hard, clean ass cars, pullin' up with a cute bitch

I just wanna ride around town getting high with a bad bitch  
I just wanna high-side, pull up on the side of my old bitch  
I just wanna ask a nigga to his face 'Why you actin' like a bitch?'  
I can't wait to tell a hater nigga 'Fuck you and that bitch'  
I just wanna ride around town getting high with a bad bitch  
I just wanna high-side, pull up on the side of my old bitch  
I just wanna ask a nigga to his face 'Why you actin' like a bitch?'  
I can't wait to tell a hater nigga 'Fuck you and that bitch'

I just wanna wake up to some hundred thousands  
Hell, all my niggas we are out of housing  
I just want a Rolie, not too much to ask  
A ghetto ass bitch with a lotta ass  
I just want a chain and my diamonds dancing  
A whole bunch of cars and a private mansion  
Some supermodel bitches that I don't remember  
My closet looking like a nigga robbed a tender  
Pull up in the Benz, pull up in a Jag, pull up in a Bentley  
Ignoring hella texts and super bad bitches saying  
"Can you come and get me?"  
No, I don't feel like dealing with these bitches  
I don't even wanna really be bothered  
I ain't gotta go on Maury just to tell a bitch "I am not the father"

I just wanna ride around town getting high with a bad bitch  
I just wanna high-side, pull up on the side of my old bitch  
I just wanna ask a nigga to his face 'Why you actin' like a bitch?'  
I can't wait to tell a hater nigga 'Fuck you and that bitch'
