

My New Name

Toots and The Maytals

Don't ask me how I got my name
Don't ask me how I got my name
I told you once, I told you twice
This time let's make it quite alright
Don't ask me how I got my name
I told you how I got my name
I got this name way back in Spain
She called me "Mr. ?????"
????????????????
Don't ask me how I got my name
I'm telling your mommy
You see what I'm telling you
I'm telling your daddy
You hear what I'm saying to you
I'm telling your mommy that's my little new name
I'm not fooling you, no, no, no
She called me "Mr. ?????"
????????????????
Don't ask me how I got my name
That's my little new name
