

Never You Change

Toots and The Maytals

Sweetheart, darling, bear in mind all the time
That a constant friend is hard to find, find
But when you find one that is good and kind
Never you change, never you change
Old for new, oh darling
Never you change, never you change
Old for new
I love you
And I want you to know that I really, really, really love you s
o
My darling, you remember, little girl
I never fell in love before
But it's you my heart is aching for
Sweetheart, darling, bear in mind all the time
That a constant friend is hard to find, find
But when you find one that is good and kind
Never you change, never you change
Old for new
No darling, never never
Never you change, never you change
Old for new
