

## Never You Change

Toots and The Maytals

Sweetheart, darling, bear in mind all the time  
That a constant friend is hard to find, find  
But when you find one that is good and kind  
Never you change, never you change  
Old for new, oh darling  
Never you change, never you change  
Old for new  
I love you  
And I want you to know that I really, really, really love you s  
o  
My darling, you remember, little girl  
I never fell in love before  
But it's you my heart is aching for  
Sweetheart, darling, bear in mind all the time  
That a constant friend is hard to find, find  
But when you find one that is good and kind  
Never you change, never you change  
Old for new  
No darling, never never  
Never you change, never you change  
Old for new
